On July 27th 2016, while performing my duties as the Sergeant-at-Arms, for the city council meeting; Mr. McDonough was escorted out of the meeting, by myself, for being boisterous and making impertinent comments towards council members. While being escorted out of the city chambers, Mr. McDonough asked for my name, at which point I provided it to him as Sgt. Wright. Mr. McDonough immediately said, "Sgt. Wright! Ok, Ill be suing the shit out of you dumb ass." Mr. McDonough said these statements before leaving the chambers, in a loud and aggressive manner, which caused a disruption of the council meeting. Mr. McDonough then walked into the lobby area and stated, "Homestead Police just violated my first amendment rights, because they are a bunch of fucking idiots and they don't know shit." Mr. McDonough was also very loud and causing a scene, while making these statements. Mr. McDonough also had several camera men following him around and causing citizens to stop what they were doing to witness his actions, which began to cause a crowd to form. Mr. McDonough was then asked to leave again, at which point he exited the building.

On August 24th, 2016, at approximately 5:30pm, Mr. McDonough entered the City Hall lobby, at which point I made contact with him. I escorted Mr. McDonough back outside the building and advised him that due to his actions and behavior at the previous council meeting, he is now being trespassed from the premises. I also told Mr. McDonough that it will be documented. Mr. McDonough began to walk away, at which point I advised him that the trespass also included the parking lot. Mr. McDonough said okay and began to walk off again. Mr. McDonough then raised his right hand and stuck his middle finger toward myself and Ofc. Monaco, and said "Fuck you." While conducting these actions there were several citizens walking into building to attend the city council meeting that stopped to observe him. There were also several citizens in the parking lot area, who also stopped and witnessed his actions. Due to his actions Ofc. Monaco and I approached Mr. McDonough, at which point he was placed under arrest.
